

Marine and continental temperature records, 59–52.5 Ma

Marine reference

Tornillo Basin

Bighorn Basin synthesis

Ice-free bottom–water T (°C)

Marine curves: Barnet et al. (2019) Atlantic Site 1262 and its Pacific Site 1209 comparison. Top marine axis BWT– $d_{18}\text{O}$ relation ($T = 10.37 - 4.44 \times d_{18}\text{O}$). Terrestrial T47 age bars show an assumed ± 0.2 Myr plotted not propagated. Pink band marks the PETM.
